

NORTH

Here is a hyperlink to the arena location: <https://maps.app.goo.gl/uegnhDvTNANpuRhJA> Google does not show the facility, but this is the location.

Please see the snip above for reference to the fairgrounds. Please do not park south of the barn and try to leave enough room east of the barn so the stock contractor can get in and out.

The barrel racers and pole benders will be entering the arena from the east end.

The team ropers, breakaway ropers, calf ropers, ribbon ropers will be entering the arena from the west end.

This is a member run rodeo. If you can please help where needed.
